As we collaborate with other emergency services, this is a shared facility. First Aid at Work training is on the ground floor and Operations Centre training is on the first floor.

Parking at the training facility is very limited and is allocated on a first come, first served basis. The site is shared with the Fire and Rescue Services and certain areas are reserved for their use.

Visitors are asked to respect our neighbours and park considerately.

Overflow Parking

If you find there are no spaces available on arrival, please follow these directions to overflow parking at West Denton Community Centre by car (blue line on map below – approx. 1 min):

- Turn right out of the car park onto Milecastle Court
- Turn left onto West Denton Way
- At the traffic lights keep in the left lane and turn left onto Hillhead Road
- After the school, turn left into the West Denton Community Centre car park (signposted)

After parking, continue to the training facility on foot as follows (red line on map – approx. 5 mins):

- Exit the car park and turn right onto Hillhead Road
- At the traffic lights / junction with Hillhead Parkway, take the pedestrian route on the right
- Follow the footpath straight ahead until it rejoins Milecastle Court
- Turn left onto Milecastle Court and follow the road as it bends to the right
- The training facility entrance will be visible across the road

Additional Information

Disabled Parking

There are two disabled parking bays at the training facility entrance and a lift if required. The lift is situated at the opposite end of the building to the entrance marked West Denton Training Facility and is in the Fire Service reception area.

Smoking on Site

A designated smoking area is provided. Please do not stand under the canopy near to the designated smoking area as this can result in smoke entering the building.

We look forward to welcomng you to the Training Centre
